Cuts and other specifications

Replacement mailboxes should be constructed using the following measurements. The pictures represent examples of the post with appropriate notch designs and a newspaper box. Cut top and bottom pine boards of the newspaper box to fit appropriate spatial needs as the installation measurements dictate.

Vendor/Commercial Options

The white 6 x 6 Oxford type mailbox post can be purchased from GraphiCal Creations. Cost to replace the post, mailbox and numbers is \$235.00 installed. This includes delivery and tax.
