### Important Pool Rules

*The following paragraph pertains to young swimmers planning on swimming in both the Vixen and/or Doyers pools:*

Parents must take their children aged 10-13 yrs old to Doyers for a swim test if the children will be going to either of our pools throughout the summer **unaccompanied by an adult**. Swimmers in this age range that pass the test will receive the status of "provisional swimmer", which enables them to be at the pools unaccompanied by an adult. The child will receive a key tag that they MUST bring to the pool each time. The "provisional swimmer" key tag will be specific to that child and they may not bring guests or other children under the age of 10. Children who have not demonstrated adequate swim skills to the on-duty lifeguard will be asked to leave if unaccompanied by an adult.

Click on the [POOL RULES](#) to review them in their entirety. This information also includes details about **pool fobs** and instructions for **booking a pool party**.
