Update from Apartment Complex Subcommittee

As the neighborhood subcommittee continues to probe on how to best work with the local developer on the 244 unit apartments that are slated to be built next door to the Hamptons, we have decided to engage legal counsel.

Please consider a donation to the GoFundMe which will be used to engage in a legal effort to gain leverage and make as many positive impact changes to the plan as possible. If you would like to participate, please click this [LINK](#) for donations.
