General News and Updates

HOA Pool Chair Opening Two-year position 2023-2025

Teresa Sanders has done an outstanding job the last two years managing our pools during the unprecedented events of Covid and national life guard shortages. As her term is coming to an end, it's time to look for and to train a new chair. If you think you'd be interested in taking on this compensated position next year, please take a look at the roles and responsibilities ([click here](#)). For information/questions contact [Teresa](#).

Update: 241 Unit Apartment Complex on Sam Furr Road

In an effort to lessen the impact on our home values, our peace of mind, and our crowded roads, a group of concerned neighbors have formed a subcommittee to oppose the 241-unit apartment complex being planned adjacent to our neighborhood. The following highlights outline the effects of this project:

- Lowered home values
- Increased traffic during peak hours
- Using the Hamptons as a "cut-through"

- Encroachment of our amenities by non-residents
- Potential for increased crime
- Many of our neighbors will have their privacy stripped away from them.

In the interest of preventing these, an attorney has been retained to bolster our efforts in opposing this project. If you would like to help fund this fight please visit [GoFundMe](#) to donate.

Recycling News You Can Use

Ever think about the garbage bin we put out every Sunday and wonder if there are any ways to reduce what you throw away? Sure we have the ability to recycle but a lot of what we put in our trash could be re-used or re-purposed in some other way. See below for a tip! Questions about this recycling tip or what can be recycled in your curbside bin? Reach out via email to Hamptons neighbor [Kim Aichele](#).

Waste Reduction Tip #2*

Have old shoes that can't be donated? Don't want to add them to the waste stream?

Dog Supplies Warehouse will take these shoes and recycle them! Hamptons resident, Kim Aichele, has taken her shoes there and was told they will accept them at anytime. Dog Supplies Warehouse is located at 11136 Sam Furr Road in Huntersville, Phone: 704-875-7800.

Important Pool Rules

The following paragraph pertains to young swimmers planning on swimming in both the Vixen and/or Doyers pools:

Parents must take their children aged 10-13 yrs old to Doyers for a swim test if the children will be going to either of our pools throughout the summer **unaccompanied by an adult**. Swimmers in this age range that pass the test will receive the status of "provisional swimmer", which enables them to be at the pools unaccompanied by an adult. The child will receive a key tag that they **MUST** bring to the pool each time. The "provisional swimmer" key tag will be specific to that child and they may not bring guests or other children under the age of 10. Children who have not demonstrated adequate swim skills to the on-duty lifeguard will be asked to leave if unaccompanied by an adult.

Click on the [POOL RULES](#) to review them in their entirety. This information also includes details about **pool fobs** and instructions for **booking a pool party**.
