General News and Updates

Update: 241 Unit Apartment Complex on Sam Furr Road

In an effort to lessen the impact on our home values, our peace of mind, and our crowded roads, a group of concerned neighbors have formed a subcommittee to oppose the 241-unit apartment complex being planned adjacent to our neighborhood. The following highlights outline the effects of this project:

- Lowered home values
- Increased traffic during peak hours
- Using the Hamptons as a “cut-through”
- Encroachment of our amenities by non-residents
- Potential for increased crime
- Many of our neighbors will have their privacy stripped away from them.

In the interest of preventing these, an attorney has been retained to bolster our efforts in opposing this project. If you would like to help fund this fight please visit [GoFundMe](#) to donate.

Recycling News You Can Use

Ever think about the garbage bin we put out every Sunday and wonder if there are any ways to reduce what you throw away? Sure we have the ability to recycle but a lot of what we put in our trash could be re-used or re-purposed in some other way. See below for a tip! Questions about this recycling tip or what can be recycled in your curbside bin? Reach out via email to Hamptons neighbor [Kim Aichele](#).

September - Styrofoam Peanuts Waste Reduction Tip #3

Got a box with packing peanuts in it? Don't throw them away! They can be re-used! If you don't need them just drop them off at your local mailing place

next time you are out running errands or give them to a friend who might need them! **Not all mailing places take them so please call first - Post Net in Davidson for sure takes them, the one next to bagel bin does not.**

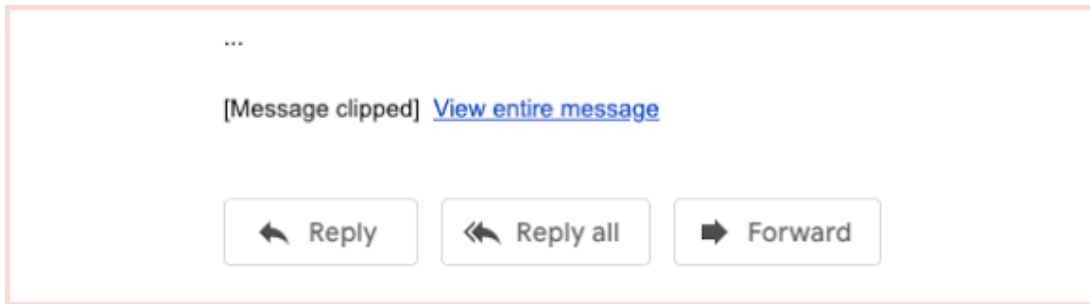

You can also do a cool science experiment with them. If you get a styrofoam (petroleum) based packing peanut and corn based packet peanut, put them in 2 separate glasses of water and see which one breaks down first!

Important Pool Rules

The following paragraph pertains to young swimmers planning on swimming in both the Vixen and/or Doyers pools:

Parents must take their children aged 10-13 yrs old to Doyers for a swim test if the children will be going to either of our pools throughout the summer ***unaccompanied by an adult***. Swimmers in this age range that pass the test will receive the status of "provisional swimmer", which enables them to be at the pools unaccompanied by an adult. The child will receive a key tag that they **MUST** bring to the pool each time. The "provisional swimmer" key tag will be specific to that child and they may not bring guests or other children under the age of 10. Children who have not demonstrated adequate swim skills to the on-duty lifeguard will be asked to leave if unaccompanied by an adult.
