General News and Updates

Traffic Light update

As you can see, we have traffic lights installed at the Northdowns entrance waiting to be turned on. We were advised last Tuesday that the crosswalk signal and road paint need to be completed before the lights will be turned on. At that point they will be on blinking mode for 7 days, then activated to normal operation. This will be a tremendous safety improvement to our lives!

HOA Board Openings

The HOA Board will have three open positions at the end of this year. We are in need of volunteers who are passionate about keeping the Hamptons a wonderful neighborhood to call home. Please consider nominating yourself or a fellow neighbor who you think would be a good candidate.

Board members serve a two year term. Positions on the board will not be determined until all new members have been elected. At that time, an assessment will be made to fill all roles with the the most qualified members.

Volunteering for the board is a great way to meet new neighbors, be involved with the community, and have an impact on our beautiful neighborhood. We hope you will take the opportunity to get involved.

For additional questions, send an email to: [Hamptons Secretary](#).

Covenants Update

Just a reminder from Cedar Management and the HOA that if you plan to do any exterior changes to your property such as painting, landscaping, adding a pool, etc., this needs to be approved by the Hamptons HOA. Please fill out a modification form and send it to hamptonsArc@gmail.com or send to ARC@mycmg.com.

Here are several other reminders too:

- Make sure landscaping is kept up this time of year.
- Stained driveways need to be power-washed
- Trailers and Boats are prohibited
- Front yard toys including temporary swings should be stored when not in use

Our neighborhood has experienced strong property appreciation over the years. This can continue if we all do our part!

Update: 241 Unit Apartment Complex on Sam Furr Road

**** Our case will be heard by the Board of Adjustment on Tuesday October 11 at 6:30pm at Town Hall. Please attend to show your support for our neighborhood. ****

In an effort to lessen the impact on our home values, our peace of mind, and our crowded roads, a group of concerned neighbors have formed a subcommittee to oppose the 241-unit apartment complex being planned adjacent to our neighborhood. The following highlights outline the effects of this project:

- Lowered home values
- Increased traffic during peak hours

- Using the Hamptons as a “cut-through”
- Encroachment of our amenities by non-residents
- Potential for increased crime
- Many of our neighbors will have their privacy stripped away from them.

In the interest of preventing these, an attorney has been retained to bolster our efforts in opposing this project. If you would like to help fund this fight please visit [GoFundMe](#) to donate.

Recycling News You Can Use

Ever think about the garbage bin we put out every Sunday and wonder if there are any ways to reduce what you throw away? Sure we have the ability to recycle but a lot of what we put in our trash could be re-used or re-purposed in some other way. See below for a tip! Questions about this recycling tip or what can be recycled in your curbside bin? Reach out via email to Hamptons neighbor [Kim Aichele](#).

October - Wine Cork Waste Reduction Tip #4

Do you love wine but aren't sure what to do with your wine cork? You may be crafty and can make something, but if crafts aren't your thing there is a company who will take them. You will need to pay the shipping cost. Just box up your corks (they take both natural and synthetic) and mail to:

CorkClub
5000 Gulf Fwy., Bldg. 6
Houston, TX 77204

- Ship as many wine corks as you can up to 40 lbs per box.
- Involve your friends, restaurants and more.
- Limit 120 lbs of corks per shipment.

* Click [HERE](#) for complete list of previous recycling tips

Events and Happenings
