General News and Updates

Two HOA Committee Chair Positions Coming Open

The HOA is currently seeking neighbors interested in serving on the Covenants and Vixen Clubhouse committees. Chair positions are 2 year terms and are compensated. Current chairs are also encouraged to reapply. Please check the links below for full responsibilities and contact our current Chairs if you are interested in either being a Chair or helping on the committee.

Architectural Review/Covenants

Our current incumbent, Jerry Hudgins, has done an excellent job as Covenants Chair. In this role he has maintained monthly violation reports and attended monthly hearings, addressed neighbor complaints on specific issues, reviewed and determined if modification forms are complete and meet the neighborhood guidelines, and inspected any homes that need additional commentary concerning a complaint. Please contact Jerry if you have any questions or are interested in this position by emailing him at HamptonsARC@gmail.com. Click [here](#) for position details.

Vixen Clubhouse Chair

Chrissy and Reggie Hairston have been tremendously helpful in assisting neighbors in renting the Vixen Clubhouse and staying on top of all the responsibilities involved in keeping the clubhouse clean, attractive, and fully functional. Please contact Chrissy if you have any questions or are interested in this position by emailing her at vixenclubhouse@gmail.com. Click [here](#) for position details.

HOA Board Openings

The HOA Board will have three open positions at the end of this year. We are in need of volunteers who are passionate about keeping the Hamptons a wonderful neighborhood to call home. Please consider nominating yourself or a fellow neighbor who you think would be a good candidate.

Board members serve a two year term. Positions on the board will not be determined until all new members have been elected. At that time, an assessment will be made to fill all roles with the the most qualified members.

Volunteering for the board is a great way to meet new neighbors, be involved with the community, and have an impact on our beautiful neighborhood. We hope you will take the opportunity to get involved.

For additional questions, send an email to: [Hamptons Secretary](#).

HOA Dues Payment Information Changing **** Important Update - Action Required ****

Please check your email from Wednesday, October 12, for an email from Cedar Management:

"Beginning November 1, 2022 the bank accounts for Hamptons at Northcross Homeowners Association will be transitioned to Alliance Association Bank (AAB) for all association banking services. Although this change is not officially effective until 11/1/22 you may begin using these new payment options right away.

AAB specializes in community association banking and provides products and services uniquely designed for community associations like Hamptons at Northcross Homeowners Association. With recent changes in the banking industry and advances in technology, Cedar Management Group (CMG) is excited to partner with AAB to take advantage of their specialized services in community association banking.

Payment Options Available - Action required

CMG in conjunction with AAB offers multiple payment options. We have provided the detailed information for those options below. It is important that you note that not updating the payment information for your association dues payment will result in delayed processing, possible return checks and potential late fees. To avoid these concerns, we ask that you review the below options carefully and select the one that is best suited for you at this time.

Pay Online

For online payment options please visit our website at www.mycmg.com/pay.

Online payment options include the below:

- ACH Recurring Payment – This option allows for a recurring direct debit withdrawal from your account. You are allowed to choose the frequency and the date of the withdrawal. AAB offers a reminder email 10 days prior to the debit of your account. This option is free.
- eCheck - This option allows you to make payment using your bank account. The fee is \$1.95 per transaction.
- Credit or Debit Card – All major credit or debit cards are accepted. A service fee applies and is charged at the time of payment. The Credit Card service fee is 3%. The Debit Card flat fee is \$5.00 per transaction.
- Please note the below three items are needed to make an online payment

Management Company ID: 7665

Association ID: 1359

Account number: 20000

Online Bill Pay Service

Most banks provide an online bill payment service to clients. Please use the information provided below to create a payment profile for your association dues.

If you currently have a payment profile for your dues payment within your online bill payment system, you must delete this profile and create a new one using the below information. Creating a new profile (and not editing your current profile) is the only way to ensure your payment will process correctly.

Traffic Light update

As you can see, we have traffic lights installed at the Northdowns entrance waiting to be turned on. We were advised recently that the crosswalk signal and road paint need to be completed before the lights will be turned on. At that point they will be on blinking mode for 7 days, then activated to normal operation. This will be a tremendous safety improvement to our lives!

Update: 241 Unit Apartment Complex on Sam Furr Road

In an effort to lessen the impact on our home values, our peace of mind, and our crowded roads, a group of concerned neighbors have formed a subcommittee to oppose the 241-unit apartment complex being planned adjacent to our neighborhood. The following highlights outline the effects of this project:

- Lowered home values
- Increased traffic during peak hours
- Using the Hamptons as a “cut-through”
- Encroachment of our amenities by non-residents
- Potential for increased crime
- Many of our neighbors will have their privacy stripped away from them.

In the interest of preventing these, an attorney has been retained to bolster our efforts in opposing this project. If you would like to help fund this fight please visit [GoFundMe](#) to donate.

Recycling News You Can Use

Ever think about the garbage bin we put out every Sunday and wonder if there are any ways to reduce what you throw away? Sure we have the ability to recycle but a lot of what we put in our trash could be re-used or re-purposed in some other way. See below for a tip! Questions about this recycling tip or what can be recycled in your curbside bin? Reach out via email to Hamptons neighbor [Kim Aichele](#).

October - Wine Cork Waste Reduction Tip #4

Do you love wine but aren't sure what to do with your wine cork? You may be crafty and can make something, but if crafts aren't your thing there is a company who will take them. You will need to pay the shipping cost. Just box up your corks (they take both natural and synthetic) and mail to:

CorkClub
 5000 Gulf Fwy., Bldg. 6
 Houston, TX 77204

- Ship as many wine corks as you can up to 40 lbs per box.
- Involve your friends, restaurants and more.
- Limit 120 lbs of corks per shipment.
