General News and Updates

Hiring Lifeguards

Message from Trident:

"All of us at Trident Pool Group are very excited to be running your pool facility this upcoming season. With that being said, we are going to be looking for individuals to lifeguard at the facility! This is an excellent opportunity for anyone 15 years and older for a summer job! Some different perks would include:

- Competitive pay
- Helping your community
- Flexible scheduling
- Complementary training and Lifeguard suit
- Advancement opportunities and more!

We are looking to fill lifeguard, head guard, assistant manager, and manager positions! Anyone interested can apply on our website - crtlifeguard.com - and select an interview where they can ask questions and learn more about the positions or email HR@tridentpoolgroup.com for any information!"

Birthday Card Party

Many of you may not realize that in the early days of The Hamptons our designated neighborhood elementary school was Blythe Elementary. Many of our Hampton kids (now adults!) went there before the designation changed to HES. During those years at Blythe the principal was Carolyn Hubbard, who now lives in the nearby memory care facility and is getting ready to celebrate a milestone birthday - 80 years young! For more details about a Birthday Card Party to celebrate her birthday on March 1, please click on this "Happy Birthday" photo. Thank you!

Let's Keep the Hamptons "FRESH"

Please, please, please pick up after your dog! No one wants to see what gets "left behind", and as the temperature starts to warm up into spring/summer no one wants to smell it either! The Hamptons is a GREAT place to live...let's keep it that way! It's the neighborly thing to do!!

Recycling News You Can Use

Ever think about the garbage bin we put out every Sunday and wonder if there are any ways to reduce what you throw away? Sure we have the ability to recycle but a lot of what we put in our trash could be re-used or re-purposed in some other way. See below for a tip! Questions about this recycling tip or what can be recycled in your curbside bin? Reach out via email to Hamptons neighbor Kim Aichele.

February - TREX Recycling - recycle hard to recycle plastic film packaging - Waste Reduction Tip #8

While it is super important to reduce the amount of waste we create, sometimes it is difficult and plastic film packaging is often hard to avoid. This is a special kind of plastic that is not recyclable at your curb. What is plastic film recycling? Think of the plastic wrap around paper towels, toilet paper and water bottles. Plastic grocery/target bags. What about the plastic film around your dry cleaning? Then there are those white plastic based bags Amazon packages are mailed in. This is a lot of plastic and it can be recycled through a company called TREX. You may have heard of them - they make composite decking and furniture.

While recycling can be confusing and sometimes complicated, being an informed consumer can really help with this process.

What can be recycled?

All plastic must be clean, dry and free of food residue.

This is super important - All plastic must be clean, dry and free of food residue.

Where can I take my plastic film recycling? Most Harris Teeter, Target, Food Lion and Kohls stores participate. I personally drop mine off at the Harris Teeter in Huntersville and Davidson. The green plastic/paper bins just outside the entrance are where you drop them off. If full, just sit your bag on top.

Click [here](#) to go to the TREX (called NexTrex) plastic film recycling website for more information.

| June 2 | 9:00am shotgun start | *27th Annual Hampton's Hack |

**Watch the WW for more information coming soon!!*

Book Drive

Ongoing at the clubhouses, with porch pickup on February 25 at 8am

Help to spread the love of reading this February!

Claire Askeland, a 9th grader at Lake Norman Charter and Hampton resident, is having a book drive to benefit the local charity *Promising Pages*. The mission of *Promising Pages* is to collect new and gently used books to share with children in the Charlotte area who don't have access to books. There is a need for books of varying reading levels (K – 12) with a particular need for Pre-K through 3rd grade.

If you have books you are no longer using and would like to donate, please consider collecting them for donation. If you don't have children's books at home but want to help, consider purchasing a book from the *Promising Pages* Wish List Page using the QR code below.

You can drop any donations at either the Vixen or Doyers clubhouses where bins will be labeled. To make it even more convenient, Claire will be dropping off bags for a Promising Pages porch pickup on Saturday, February 25th! Just set any books you want to donate on your porch by 8:00 am on 2/25/2023 and she will take care of the rest. Keep an eye out for a flyer and bag in your mailbox!

CPR/First Aid Class

Thursday March 9, 6:30-8:15pm at Vixen

This class is for ages 12 and older - it's great for babysitters, parents and adults. Training includes: Adult & Child CPR, AED Training, and First Aid.

When/where:

March 9
6:30-8:15pm
Vixen Clubhouse

Cost: \$65

Each participant will complete an online video and study guide prior to class. Instruction will include a review and test followed by hands-on CPR training using mannequins. First Aid topics includes: sprains, strains, burns, and

emergencies. Upon completion a CPR Certification Card is issued.

Sign up now by contacting Beth Metz: via [email](#) or call 704-677-5179

Once registration and payment are complete then you will be given a link to complete course.

Course is taught by an American Heart Association Certified Instructor from:
