### **Important Pool Rules**

***The following paragraph pertains to young swimmers planning on swimming in both the Vixen and/or Doyers pools:***

Parents must take their children aged 10-13 yrs old to Doyers for a swim test if the children will be going to either of our pools throughout the summer ***unaccompanied by an adult***. Swimmers in this age range that pass the test will receive the status of "provisional swimmer", which enables them to be at the pools unaccompanied by an adult. The child will receive a key tag that they MUST bring to the pool each time. The "provisional swimmer" key tag will be specific to that child and they may not bring guests or other children under the age of 10. Children who have not demonstrated adequate swim skills to the on-duty lifeguard will be asked to leave if unaccompanied by an adult.

Click on the [\*\*POOL RULES\*\*](#) to review them in their entirety. This information also includes details about **pool fobs** and instructions for **booking a pool party**.

## Important Pool Notices

### **Hourly Safety Check:**

As a reminder to all Hamptons residents the hourly pool safety check is in place to allow the lifeguards an opportunity to complete other duties outside of monitoring the pool as well as giving them a break. During this time the pool is not being actively watched. Recently we had an occurrence during a safety check where a minor became stuck between a ladder and the wall. Thankfully their head was above water and was able to be rescued without further incident. **HOA policy is that all swimmers under the age of eighteen must exit the pool during the safety check.** Adults, please make sure minors are out of the pool during this time. If we are unable to successfully enforce this policy we will be forced to require everyone out of the pool during safety checks to ensure the well-being of our residents.

### **Furniture care:**

Between both pools, the Hamptons has a lot of poolside furniture for everyone's enjoyment. Please treat this furniture with care, and parents please ask your children to do this as well. The furniture and umbrellas are not cheap and aren't always easy to replace.

Recently the lifeguards reported that someone had spray-painted the furniture, but upon further inspection it turned out to be deliberately sprayed with a LOT of sunscreen. It took a lot of work to clean it up. You may not realize that sunscreen can damage the furniture in some instances - when used excessively it really can cause problems. Let's all work together to be able to enjoy this furniture for a long time! Thank you!

## YARD OF THE MONTH - Vote now!

So many of our Hamptons neighbors put a lot of care into their landscaping. It's always nice to drive through and see the beautifully kept yards!

Each month the HOA Board and Committees will vote on the best yard. The winner will receive a gift card and a sign to post in their yard! You can now nominate your favorite yard/garden for the month of July.
