HOA Board of Directors

Meet the Nominees:

Larry Clever, current incumbent, has lived in Huntersville since 2010 after moving here from New York and moved to the Hamptons in 2020 from Northstone with his wife, Pamela, and kids, Dylan (8) and Natalie (5). He is a CPA and is the CFO for an SBA lender in Charlotte. Larry loves to spend time playing with his kids outdoors and spending time with family and friends. He really enjoys living in the Hamptons with its sense

of community and has spent the last two years as the Hamptons Treasurer and is looking forward to continue contributing to the neighborhood on the board for another two years.

Rob McAloon and his wife of 24 years, Rebecca, moved from 'across the street' to the Hamptons in January of 2017 with their two children, Ewan (20) and Cal (15). Whiskey, the family dog, joined them in March of 2019. Rob works as a cyber security seller after decades leading digital transformations of major financial services companies in the US. Rob has additional experience in starting and consulting for multiple not-for-profits for a wide array of charitable organizations. Rob wants to join the HOA to help preserve the Hampton's as a great place to live and ensure that the neighborhood is well positioned to handle the challenges that the extreme growth of Huntersville presents. Rob's platform of HOA beliefs are pretty simple - evaluate the data and make good decisions, use technology to modernize and speed up the antiquated processes, and find ways to leverage what the Hampton's already has to generate revenue or cut expenses for the long term growth and benefit of the entire neighborhood.

Gifford Fitzgerald and his wife Natalie moved from Houston, TX to the Hamptons in May 2021 with their four children Grace (10), Edith (8), Gifford Jr. (6) and Charles (4). While in Houston, Gifford was the HOA VP for 3+ years and oversaw neighborhood improvement projects as well as several initiatives to overhaul outdated HOA bylaws. Gifford works for Circle K in their global strategy and growth group. He and his family are active with the Hammerheads in the summer and are always looking forward to the next neighborhood event. Gifford is excited about this board role as it provides a great opportunity to help preserve and improve this fantastic community, we have for years to come.

John Nobers, his wife, Cynthia, their five children, and two dogs have been Hamptons' residents since 2018, and enjoy the neighbors and pet friends in this great neighborhood.

About: US Naval Academy Graduate, Navy Aviation veteran, MBA. Commercial business leader for 25+ years in consumer products, packaging and process companies with Rubbermaid, Sharpie, Starbucks, Dunkin, Abbott and others across the US and Global locations. Cross functional leader for Sales, Product Development, Marketing, Service and Software. Engaged in numerous volunteer organizational roles in the past

20 years. Enjoy working with teams and individuals to create a unifying vision, and then working collaboratively with diverse internal and external customers to achieve the desired results.

Why: In support of enjoying and keeping the Hamptons as a great place to live, I ask to be considered for a position on the Hamptons HOA Board, believing it is important that all homeowners can engage and feel that they are part of a thriving community. The board serves to respond to needs and issues within our association and the surrounding Huntersville area, promote more engagement and communication from and to homeowners, and maintain a high standard in our community as an attractive and desirable place to live. As a board member, I would engage positively, listen, learn and take action to help others in support of this wonderful community, and would be honored to serve.

Thank you for your consideration.
