## **School Bus Stops at Vixen and Sutters Run**

The Hamptons has remained a desirable neighborhood in part because it is family friendly. It takes a village to create and sustain this quality and we are asking for the community's help to address a recent pattern that has been occurring with our morning bus stops.

Recently, there have been multiple reports from parents at the bus stops, specifically on Vixen and Sutters Run, about cars driving through the bus stops while children are boarding with the red lights flashing, the stop sign and the safety arm extended. This creates a dangerous situation for our kids as they cross the street to get to the bus. This has been occurring more and more frequently and by a number of different vehicles... this is not just a single occurrence.

We would like to remind everyone of our shared responsibility to ensure the safety of our community, especially for our children. We hope that by raising awareness of this issue, we can see a significant improvement and prevent any potential accidents. Hopefully the situation will improve, requiring no further action by the neighborhood.

Thank you for your attention to this important matter and for your cooperation in making our community a safer place for everyone.
